Mr. Damian Truskowski
Manager
Panorama Music Group

Dear Mr. Truskowski,

I would like to sincerely thank you for your support and the music Your group played during my farewell party on November 30, 2011 at the Pure Sky Club.

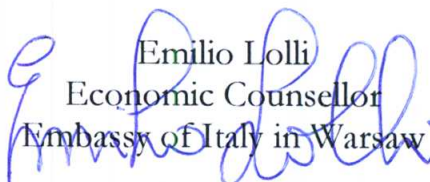

Your group possesses a formidable talent for music, a incredibly high level of improvisation skills and at the same time an extremely professional approach to musical performances. Rare abilities due to an intuitively love for music.

Music was chosen with accuracy and taste, balancing the right mix of jazz, rock and pop. This provided a great degree of satisfaction for the guests and me. Your support was really important for the success of the event.

I also appreciated your professional qualities, responsibility, courtesy and punctuality. In addition, let me say that pro-activeness and creativity are Your group's hallmarks.

Thank You again for your work. I greatly appreciated the service you provided me. I wish You and Your group all rightly deserved success for the future.

Yours sincerely,
